Education

Vellore Institute of Technology,
Amravati, Andhra Pradesh.

Key Skills

Java
OOPs
Git
C Language
Arduino
LINUX
Raspberry-Pi
Technical Documentation
Project Management

Objective

Skilled in Java and OOPs, pursuing Bachelor's degree in Computer Science and Engineering with specialization in Robotics.

Experience

October 2020 - Present
Tech Lead • Android Club • Vellore Institute of Technology, AP

- Oracle Certified Associate, Java SE 8 Programmer
- Microsoft Technology Associate.
- C Certified Associate Programmer.

Projects

- Tsuyoi (Women Safety Track Prize winner, DSC-WoW) – A seamlessly connected panic button, can be interfaced with a custom keychain/any wearable tech that can alert the local police and a trusted contact in no time. Learnt cloud computing.
- Adam's Ale (Winner, Ideathon, DSC-VITAP, 2021) – A project redirecting people to their nearest source of potable water, thus preventing the risks of water-borne epidemics as an after effect of natural disasters.
- Defensezoid – A physical vault locking technology that uses the user's Android device as a physical key for smart authentication.

Leadership

I lead my team in various hackathons and code jams and hence am confident about my leadership and team management skills.
